Whole School Progression Map - School Value – Love

The Christian value of love is part of the everyday ethos of our school. Love underpins everything that we do. It is evident in our relationships with each other and in our actions to support our community and our world.

We develop our value of love through: our worship times together; sharing stories of how God and Jesus show love to us; modelling positive interactions and encouragement; supporting those in need, both at school, in our community and in our world.

We aim to foster a love of learning throughout the whole school and build on the understanding of what love means in each year group.
