Whole School Progression Map - School Value – Respect

The Christian value of respect is one of our school values because we believe that people are made in the image of God, that everyone is special, everyone's opinions matter, everyone's contribution is important, everyone's feelings should be considered and everyone's faith is valued.

We want our children to respect themselves and their own unique contribution to their homes, schools and communities. Having self-respect means being able to celebrate our gifts and talents and looking after ourselves so that we can then do the same for others.

We aim to foster respect throughout the whole school and build on the understanding of what respect means in each year group.
