Whole School Progression Map - School Value – Trust

The Christian value of trust is a really important value to us at school as we know that trust is the very essence of faith; trust in God who is trustworthy. Trust lies at the heart of all of our relationships and we learn to trust in each other and in ourselves. At Warton we know that trust is putting yourself in others' hands and that trust must be earned by our friends.

We aim to foster the value of trust throughout the whole school and build on the understanding of what this value means in each year group.
