Be Courageous. Be Strong. Do Everything with Love. (1 Corinthians 16:13-14)

Dear parents,

Well what a week full of highs and lows- or as we use in our collective worship to reflect on moments of joy and pain... Ows and Wows!

Wow!

It was an absolute DELIGHT to see so many children and families support our Ukraine Booksale. To have a group of 6 children from Beech class ask to create a second-hand book sale for Ukraine and be so excited about making a difference was wonderful. I am so proud of them and thankful to their families who led and supervised the sale across the two parents' evenings. Then to have individual children also add their own donations- whether of paper aeroplanes or 2p collections added to how wonderful these events were. The event raised £310, which is then being matched by Vodaphone to create a grand total of £620 to help those in Ukraine. Particular thanks to Mr McGowan for his help and generosity as well as all of the children and parents who bought a book, plane or chocolate bar!

Ow!

We were so sad to have to close the school this morning and apologise for the inconvenience this caused. At 7am Miss Belcher, Mrs Parker and I arrived at school to find a significant flood and water flow from one of our newly refurbished KS2 toilets that meant all water had to be turned off. Thank you so much to all of our parents who were so understanding despite the obvious disruption to their day. The issue is now fixed and while there is a lot of drying out to do we hope it won't happen again. Apologies also that I didn't have the foresight to inform you that this wasn't an April Fools! Mrs Sage definitely thought I was pulling her leg this morning!

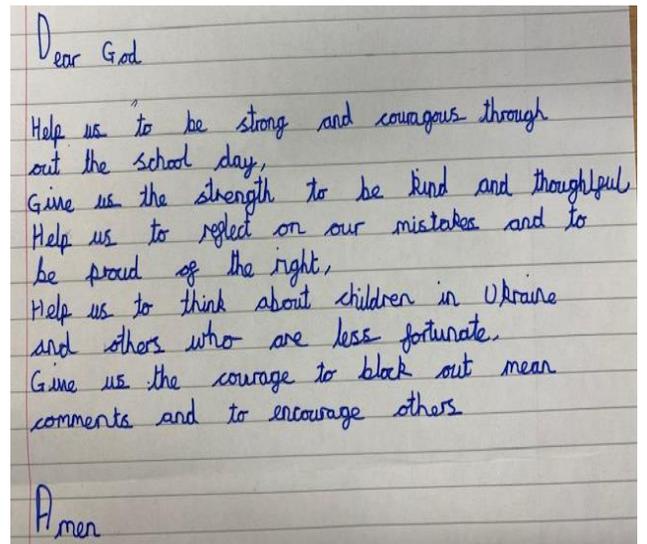

Have a lovely weekend,

Susan Friend
Head Teacher

Living our Values

Each week, our worship leaders take prayer suggestions from a different class – a time where all children can input their ows and wows into a whole school prayer. Our wonderful worship leaders then write a prayer using these suggestions. This week's prayer ideas came from Beech Class and the prayer was written by Izzy- thank you all! Perhaps at home, you may like to make this your prayer for the weekend?

Willow Class

This week in Willow the children have designed and created their own Easter gardens in our RE lesson. We have been learning about why Christians make Easter gardens and the importance of the cross.

School allergy letter

Just a reminder about our allergy letter sent out a few weeks ago, if your child does have an allergy it's really important that we receive this letter back so we can make the necessary arrangements for your child whilst in our care.

Please send these into the school office as soon as possible. Please note this form only needs to be filled in should your child have an allergy and we have had VERY FEW completed so far!

Thank you!
