Strong – be independent and be ambitious

Our children will build skills and knowledge that encourage **independence** so that they are prepared for the wider world and have the strength they need to make positive change for themselves and others. Through courage and strength, all of our young people are **ambitious** and will use their wide-ranging school experiences to reach their potential.

Loving – model our values, go out to others, respond with love

Love is our core Christian value at Warton and an important part of our vision. Our children are equipped through their school life to **model our values** at school, at home and in the wider community and know that all of our values rely on love. Our children actively and passionately offer **go out to others** to offer help, support, charity and kindness through our Christian values.
