## Sports Premium Spending 2022-23

Our children are happy, excited and engaged by their schooling. They develop **inquisitive** minds through questioning and being curious. They feel a sense of belonging and security that enables them to flourish into courageous and **resilient** young people who **take risks**, are willing to **challenge** themselves and are able to stand firm in their beliefs.

### **Strong – be independent and be ambitious**

Our children will build skills and knowledge that encourage **independence** so that they are prepared for the wider world and have the strength they need to make positive change for themselves and others. Through courage and strength, all of our young people are **ambitious** and will use their wide-ranging school experiences to reach their potential.

### **Loving – model our values, go out to others, respond with love**

Love is our core Christian value at Warton and an important part of our vision. Our children are equipped through their school life to **model our values** at school, at home and in the wider community and know that all of our values rely on love. Our children actively and passionately offer **go out to others** to offer help, support, charity and kindness through our Christian values. They embrace our inclusive and compassionate approach to ensure that everyone feels welcome here. The whole Warton Nethersole community is equipped with the courage and strength they need to always **respond with love** to others.

<b>Key indicator 1: The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school.</b>				Percentage of total allocation:
				11%
Intent	Implementation		Impact	Suggested Next Steps
Due to impact of lockdown and the inability to swim for many pupils additional swimming top up lessons for year 5/6 pupils who still cannot swim 25m.	10 additional swimming lessons plus transport for the additional lessons.	£2000	Swimming has been successful in developing all pupils. It is still ongoing and awaiting final data against NC objectives.	There are still 39% of our year 5 cohort that cannot swim 25 metres. It is suggested that lessons are for year 5 and 6 next year to target this gap.
			July 23 Year 5 pupils have had additional swimming lessons as this is where the need was.
