

Dear Parents,

Welcome back! It seems like a long time since Christmas but this is the first newsletter of the new year and I wish you all a Happy New Year. I hear from many of the children that you all had a wonderful and happy time and there was an abundance of gifts from Santa!

Here at Warton you can see the new building project coming closer to completion. Unfortunately it looks unlikely to be completely finished ready for the 30<sup>th</sup> January as planned but it will not be far off. Inside is almost complete with walls painted, fixtures in place and internet fitted today! Over the next week or two the groundworks for paving will be continued following a hold up due to the snow and ice. As soon as we know when we will be ready to move in we will let you know and reorganise an opening for Years 5 and 6 and their families! Following the children moving in, there will be phase 3 of the project, which will involve landscaping, bike and scooter racks and creating more staff parking spaces. We don't have a start date for this yet but once we do, we will let you know.

Thank you to those of you who supported your children in completing their Warton 50 art at home on the snow day – we very much look forward to inviting you into school on the 29<sup>th</sup> January at 3.15 to see the artwork from across the school. The pieces I have seen so far have been brilliant and we can't wait to share them with you and -with the help of our governing body – announce the winners for each group.

Until then, I wish you all a lovely weekend,

Miss Friend

### Values

This morning our worship leader Aidan read his prayer for the school wonderfully and I thought you may like to share it at home.

Dear God,

Thank you for our families, friends and school staff. Thank you for the people who care for us and guide us each day. Bless our school with kindness, patience and understanding. Help us to look after one another, to include everyone and to make our community a place of safety and joy. Help each of us to bring light, hope and goodness wherever we go.

Amen

### **Designated Safeguarding Leads - Are you worried about a child?**

At Warton Nethersole we have a Safeguarding Team who work hard to keep you safe. Pupils, staff, parents or children can talk to us about any concerns they have, and we will find a way to help. As well as the staff below, Mrs Gilbert (Wraparound) and Mrs Ellis are trained and available to talk to you too.

**MOMENTS MATTER, ATTENDANCE COUNTS.**

A reminder that our Eco council is taking part in the Tub2Pub recycling initiative. This fantastic scheme helps turn empty chocolate tubs into donations for charity, while promoting sustainability and caring for our environment.

If you have any empty, clean chocolate tubs (roses, celebrations, heroes etc.), please send them in with your child after the Christmas period. We will be collecting them until the end of January. Every tub makes a difference!

Thank you for your support in helping us make a positive impact.

Miss Kiffin, Miss Kurtulus & The Eco Council

We would love to be able to celebrate any special out of school achievements that our pupils accomplish on our newsletter. If your child does something wonderful out of school, such as passing a music exam, competing for their team at county level or performing at a special venue, please send some information and a photograph to the office email- [office@warton.bdmat.org.uk](mailto:office@warton.bdmat.org.uk) - so that it can be added to a future newsletter.

The village Speed Watch team carried out speed checks on Barn End Road on Tuesday 13<sup>th</sup> January.

It was fairly quiet with only 90 vehicles passing us during the session, of which 20 were speed checked, 4 of the vehicles were recorded travelling significantly in excess of the road speed limit as they entered the village and details will be forwarded to the Police for follow up action. Please can we remind everyone to travel around our village with care and attention to correct speeds to keep everyone in our community safe.

### Next steps

- More use of the outdoor space for all children.
- More consistent updates on Tapestry about what the children are learning.
- Governors to evaluate options for timings of the Nursery day.

### Club of week

This week's club of the week is French club with Mrs Roberts. They have had great fun learning hello, goodbye, their name in French, games and songs.

From Wednesday 14th January we need to temporarily change the entrance and exit routes for Maple class due to the building work. When Maple children arrive, they will enter via the back door from the KS2 playground (like Elm class do currently). At the end of the day Maple will be brought to the library by school staff and handed over from the library door to their parents. The library door is between Sycamore and Beech classrooms.

We will let you know when things can go back to normal.  
Thank you for your support and understanding with this.
