

Be Courageous. Be Strong. Do Everything with Love. (1 Corinthians 16:13-14)

Dear Parents,

This week, our collective worship focused on Jesus' teaching in John 13:34-35, which calls us to love one another as Jesus loves us. We considered how Jesus did not simply talk about love but demonstrated it through his actions.

The children were encouraged to reflect on how they treat others, particularly when someone frustrates them or when showing kindness feels difficult. We thought about forgiveness, the choices we make in the classroom and on the playground, and whether we show the same kindness online as we do face to face.

Our worship connected closely with our school vision: **"Be Courageous. Be Strong. Do Everything with Love."** We challenged everyone to put love into action through 'on purpose' acts of kindness and to carry God's love with them throughout the week.

It was lovely to hand out some of our brand-new vision certificates in celebration collective worship this to children who have been living out vision in school!

Maybe over the weekend, you could encourage your child to take part in some 'on purpose' acts of kindness and share these with class teachers on Tapestry.

Have a lovely weekend!

Parking

Please can we remind all families to park safely, responsibly and courteously when dropping off and collecting children from school.

We ask that you do not block residents' driveways, park in a way that restricts access, or stop in locations that could make it difficult for children and families to cross or move around safely.

We understand that the area around school can become very busy at the beginning and end of the day, but everyone's consideration helps to keep our children safe and maintain positive relationships with our neighbours.

Thank you for your cooperation and support.

Parents' Evening

Bookings are now live on Arbor so please make an appointment to meet with your child's class teacher on Monday 9th or Wednesday 11th November. Bookings will close a few days before 9th November.

This appointment is for parents only. There will be no supervision for children so please do not bring them with you for your meeting.

We are really pleased to be hosting a Community Coffee Morning and would love to invite anyone who lives in Warton, as well as parents, carers, family members and anyone with a connection to our school, to come along and join us.

We are proud to be part of the Warton community and want to continue building strong, positive links between our school, our families and the wider community. Our coffee morning will be a relaxed and informal opportunity to enjoy a cuppa, meet other people, have a chat and share ideas about how we can continue to strengthen those connections.

There is no formal agenda, and it isn't a meeting or consultation. We simply want to create an opportunity for people to come together, get to know one another and have positive conversations about our school and the community around us.

While individual questions, concerns or issues are best discussed with the appropriate member of staff through our usual school channels, the coffee morning is all about conversation, connection and community. Members of our school team will be there to chat, listen and enjoy getting to know members of our community in a relaxed setting.
